

## ARTS IN THE PARK 2018

This year's "Arts in the Park" will be held on September 8, 2018. It will again feature over 60 wines from around the world, numerous art dealers and five live entertainment groups. All proceeds from this event will benefit the Freeland SportsZone Youth Programs.

This past year proceeds went toward renovating our child care room. New workstation, toys, games, security camera and flooring were part of that renovation. We also funded three scholarships. This included the Susan Sauer Hospitality Scholarship, the Ron Schauman Trades Scholarship and the Freeland SportsZone Trades Scholarship.

This year we will continue the scholarship funding, replace all youth equipment throughout the facility, and add an upgrade to our new playground.

We are grateful for the many individuals and organizations who have contributed to make the SportsZone the success it is. It is making a positive impact on our Mid-Michigan community's health, wellness and sense of community.

Operating as a not-for-profit, the Freeland SportsZone has been successful in serving all age groups' health and fitness needs. We appreciate you considering a sponsorship this year in support of the Freeland SportsZone. Donations are fully tax deductible. Tax ID # 501C 20-4803638.
